

NEWELL STREET LANGUAGES

American English for Adult Learners

A structured American English course for adult learners focusing on pronunciation, core grammar, sentence building, and real-life communication. The course uses a sound-based approach with clear explanations, printable lessons, and audio practice to help learners speak more clearly and confidently. Suitable for self-study, tutors, and adult ESL classrooms.

This course consists of short lessons about an aspect of American English. The lesson is followed by an Excel type of spreadsheet which consists of example sentences demonstrating what was in the short lesson and finally an audio file of the sentences.

1. Sounds and Pronunciation.
2. Essential Verbs and Core Grammar.
3. Pronouns and Sentence Building.
4. Adverbs and Sentence Building.
5. Building Communication Skills.
6. Real life practice.
